Re: SECNAP Investigations
Our File No.: 123976

Dear Chairman Johnson and Chairman Smith:

Please be advised that I represent SECNAP Network Securities Corp. (“SECNAP”) with regard to your letter dated July 12, 2016 to Victor Nappe in which you have reiterated your previous requests for information regarding Secretary Clinton’s private server and email account; specifically Chairman Johnson’s letter dated October 5, 2015 and Chairman Smith’s letter dated January 14, 2016. Both Chairman Johnson’s and Chairman Smith’s letters request information relating to Clinton Executive Services Corp. (“CESC”), and in addition, Chairman Johnson’s letter requests information relating to Platte River Networks and Infograte.

Neither CESC, Platte River Networks, nor Infograte have consented to our production of information or documents pursuant to your reiterated requests. Consequently, SECNAP is unable to provide any additional information or documents than already provided in my letter dated October 26, 2015 in response to Chairman Johnson’s request and my letter dated January 28, 2016 in response to Chairman Smith’s request.

If you have any questions or comments regarding the above, please feel free to contact me at your earliest convenience at the above referenced number.

Sincerely,

Dennis A. Nowak
